

Lest we forget

NOVEMBER NEWS

Students will participate in a virtual Remembrance Day service Tuesday, November 10th at 10am.

We heartfully acknowledge and remember the sacrifice of those before us and those who continue to serve for our freedom.

All students will be given a poppy for our service. We will be collecting poppy donations from November 3rd through to November 10th.

Term one grading and reporting

Thank you to families who attended Progress Interviews in October; either by phone or in person. These conversations identified potential areas of growth for your child prior to the first reporting period. For the reporting process, your child is assessed in a variety of ways to capture a complete portfolio of evidence in order to arrive at a level of achievement.

Student/Parent/Teachers interviews will follow in early December.

Daily Student Universal Screening Update

Effective November 2nd, Alberta Health has updated the daily student checklist for parents and guardians to review prior to sending students to school. Changes have also been made regarding symptoms and isolation. Please refer to our website for further detailed information.

Our Mission:

To learn, play and be well together.

Our Vision:

Innovative learning

Strength through wellness

Students as Leaders

November 20- Virtual Book Fair closing day

November 27- Term 1 Report Cards go home

CONGRATULATIONS ON YOUR RETIREMENT, MRS. O'BRIEN!

Mrs. O'Brien has immersed our school library with her passion for literacy. She has worked to enhance our Learning Commons space over the last number of years to include games, a lego wall, audio books, playaways, and a functional, comfortable space for reading, research and exploring.

We will miss you, Mrs. O'Brien and wish you a most happy and fulfilling retirement!

Scholastic Virtual Book Fair

Given additional health and safety precautions, Scholastic has launched a simple and safe alternative this fall- a virtual book fair!

Families and students may shop online for books. All packages will be directly shipped to your home. Our school will earn 20% of the net sales through the book fair.

All online orders require a credit card to complete. Shipping is free on any order over \$35. A flat shipping rate of \$6 will apply for orders less than this amount.

Please watch for a Scholastic Virtual Book Fair link that will be emailed to parents/guardians on or before November 9th.
