# Summary Observations

- Excellent survey participation.
- The ratings from Staff and Students were consistently equal to or higher than the average for each question, while the Parent/Guardian ratings were consistently lower than the average.
- Schools are doing well at providing **student leadership and voice** opportunities and incorporating that into school culture.
- Many students, staff, and parents/guardians agree that **student citizenship programs and initiatives** are available and beneficial in their school.
- Although offered, **student community service** opportunities are not yet integrated into school culture.

# Moving Forward

- Division and school-based leadership will receive detailed reports to review.
- Work with Division and school-based staff toward continued improvement.
- Measure these or other goals in 2024.
