"To learn, play and be well together"

May 30, 2025

Dear Mr. Seguin,

This year, a Parent Council was formed, following a historical period of years operating as a Parent Advisory Council at Isabelle Sellon School.

Over the course of the year, our Parent Council met in September, October, November, January, March, and May. Each of these meetings began with a Tri-School Council meeting; combining the parents and administration from Horace Allen, Isabelle Sellon and Crowsnest Consolidated, as well as Trustees, Greg Long and Clara Yagos.

Below is a summary of activities of the Isabelle Sellon School Parent Council for the 2024-2025 school year:

- Organized and ran 2 successful cookie dough fundraisers for student activities in fall 2024 and spring 2025
- Supported school STEM purchase of micro computer technology (Micro-Bits)
- Sponsored meals for teachers during parent teacher interviews
- Organized "Frisbee Rob" parent workshop in January about online safety
- Organized volunteers for grade 4 community impact projects
- Sponsored Wild Sight programming in the fall of 2024
- Partnered with Coleman Lions to provide student/staff pancake breakfast for "Ride Your Bike to School" day
- Purchased equipment for the Senior's Tea
- Purchased 3 picture books and arranged for students across K-12 to sign them for a CNP Principal's retirement event

Regards,

Tina Smith
ISS Parent Council Chair
