- Approved and will be TBD

Culture:

- Successful LAND/WILD combined learning day for K-6 students in early May
- Cantare choir presentation to all ISS students May 30th
- Senior's Tea at ISS on June 5th
- Upcoming visits and events to ease the transition between grade 3-4 and grade 6-7 (CCHS visit to Grade 6 students on May 30th, grade 3 visit to ISS on June 18th)
- Three days of swimming booked for each grade
- June 13- Ride Your Bike to School Day and pancake breakfast (Thanks to Coleman Lions for cooking!)
- June 18 - HAS grade three students will visit ISS for a tour of the school. Grade 5 students and teachers will help facilitate the tours.
- Year End Pool Party- June 24th at CNP Pool- (11-2:30pm). Thanks to KP Squared for their donation to fund this year end event!

Leadership:

- Another after school Archery session was completed (grade 5 and 6 students) over April and May
- Current scoreboard celebrating character attributes and celebrating the students who demonstrate these characteristics

- Upcoming whole school at PEAKS- Celebrating Leadership and the highly effective behaviors that enable positive leadership on June 4th
- ISS Students celebrated for Community Impact Project work at the annual Teton Science School conference in April (Jackson Hole, WY). Video presentation of grade 4-6 impact projects was given at this Place Based conference.

Academics:

- May 1-9: staff and students each reviewed MRA data identifying celebrations and areas for improvement. These will be used in helping to create school goals for next school year.
- WILD ISS learning day May 9th- utilized downtown areas to support student learning and activities. Students helped plan the focus of the activities that tied in with the curriculum.
- Grade 4 Waterton trip (Jane Goodall grant funding) in May was successful- Parks Canada programming, place based principles were included as part of the learning experience in the National Park
- Grade 6 students participating in Inside Education sponsored program at Three Herons Conservation site on June 3rd
- June benchmark assessments have begun (STAR literacy and numeracy, writing) along with Grade 6 PAT's
- Planning process underway for the 2025-2026 school year
- Last day for students is June 25th- Year end assembly and Clap Out at 9am
